

EATON HOUSE BELGRAVIA

NURSERY SCHOOL

# ALL ABOUT NURSERY

Welcome to Eaton House Belgravia Nursery. Through these pages, I hope you will gain a real insight into what it would be like for your child to join us in our wonderful space, full of bright and colourful resources and the best equipment needed to inspire early learning. It is a truly fantastic place to be and a constant hive of activity, where children are happy, busy and curious to learn.

Our job is unique and it is a privilege to see the first time your child writes their name, hear them count to ten, or say their first lines in the nativity. Every day is new and exciting as the children are exposed to a variety of fresh experiences that help to promote a love of learning that lasts. It is such a pleasure getting to know the families that join us here and, over time, watching them develop and grow.

I know that all the children leave our nursery 'school ready'. This is because we have a nurturing environment and differentiate all our work to the individual pupil. This allows every child to work happily and calmly at his or her own pace.

**Mrs Helena Lottering, Headmistress**

Eaton House Belgravia Nursery School opens in September 2017. This means that the pictures that you will see in this prospectus are for illustration only. They depict our long-established sister nursery school, Eaton House The Manor Nursery in Clapham Common.
