Results 2023

We offer warm congratulations to all of our 2023 leavers

‘We are committed to inspiring and nurturing our boys in these, the most formative of years’

As my own time at Eaton House Belgravia reaches its final chapter, I am delighted to find myself in the company of an impressive cohort of ‘leavers’. In my tenure as Headmaster, I have had the great privilege of shepherding many boys through the process of 7+, 8+ and 11+ exams, and year after year I have marvelled at their results. This year has proven no different, with all of our boys being offered places at top schools.

A particularly striking statistic is that amongst a cohort of 33 boys sitting 7+ and 8+ exams, we received 18 offers for Westminster Under, King’s College Wimbledon and St Paul’s Juniors. These results are testament to Eaton House Schools’ non-selective

philosophy. I firmly believe that between our entrance point at 4 years old and the 7+ and 8+ exams, boys’ attitudes to learning are shaped, and we are committed to inspiring and nurturing our boys in these, the most formative of years.

For those who stay with us at Eaton House Belgravia to sit their 11+ exams, we provide a multi-faceted, exciting education, that allows the boys to build upon this bedrock. Our 2023 results at 11+ are testament not only to the individual talents and work ethic of the boys, but the efforts of our talented, dedicated staff. I will be leaving Eaton House Belgravia confident in the fact that our school has laid the foundations for generations to thrive – both at the top senior schools they favour and in adult life.

Mr Huw May
Headmaster

FROM THE GOOD SCHOOLS GUIDE 2023

HEADMASTER

“Awesome’ and ‘very hands-on,’ say parents, who particularly value his readiness to listen and advise. They trust him completely to do the best for their sons and respect his opinion – he is ‘very responsive and flexible.’”

“They like that he has ‘the boys’ wellbeing and interests at heart’ and is always available to discuss pupils’ all-round development. Thanks to him, they told us, communication between school and home, both in person and electronically, is first-rate.”

“Clear-sighted about educational trends and developments nationally, his educational approach includes a strong focus on ‘soft skills’ alongside well-integrated digital learning. Pupils respect, but don’t fear, their headmaster – he is clearly very proud of his pupils and they are always keen to show him their work.”

EXIT SCHOOLS

“About a third leave at 7+, and another third at 8+, for prestigious schools including Westminster Under, St Paul’s and King’s College School Wimbledon. Others stay on till 11+, with varied destinations including Wetherby Senior, North Bridge House and Dulwich College. Also some to other London preps such as Sussex House School, and a few move to Eaton House The Manor for 13+ prep - seamlessly supported by the school.”

ACADEMICS OVERVIEW

“An unashamedly academic school, parents feel it gets the balance right between stretch and pressure. Nurturing boys’ hunger for knowledge and sparking their natural curiosity, it prepares them thoroughly for entrance assessments without stressing them out.”

“‘Teaching is out of this world’, enthuse parents. Every child has an individual education plan, reviewed half-termly by head, so school is absolutely on top of where each boy is at.”

“We heard nothing but praise for the ‘exceptional teachers,’ and their genuine pride in their pupils’ work was evident throughout our visit.”

“Creative teaching and learning everywhere you look. We met year 2s writing highly persuasive letters inspired by Greta and the Giants, reception pupils learning to code using colourful keyboards and year 4s plotting treasure maps in maths.”
