Eaton House Belgravia is proud to announce that in the 2026 7+ and 8+ examinations its boys were offered some 26 coveted places to Westminster Under, St Paul's Boys' School and King's College, Wimbledon, together with places at a range of other top schools.

'Our passionate and dedicated teaching staff are owed as much credit as the boys themselves, as it takes infinite amount of time, care and patience to motivate and challenge each individual boy to maximise his talents when exam time comes around,' says Eaton House Schools' Principal, Mrs Alison Fleming. 'The school enters an exciting new era in September 2026, when Dr Christopher Halls, currently Head of Early Years at Dulwich Prep joins Eaton House Belgravia.'
