

EATON HOUSE THE MANOR
NURSERY SCHOOL

ALL ABOUT NURSERY

Welcome to Eaton House The Manor Nursery. Through these pages, I hope you will gain a real insight into what it would be like for your child to join us in our wonderful new building full of bright and colourful resources and the best equipment needed to inspire early learning. It is a truly wonderful place to be and a constant hive of activity, where children are happy, busy and curious to learn.

I have been Head of the Nursery since 2004. I can honestly say that I look forward to coming to work every single day! That's because every day is new and exciting, as our children are exposed to a variety of fresh experiences that help to promote a love of learning that lasts. It is such a pleasure getting to know the many families that have joined us here and to watch their children develop and grow.

I know when the children leave our nursery they are fully prepared for 'big school'. This is because we have a nurturing environment and differentiate all our work to the individual pupil, allowing every child to work happily and calmly at his or her own pace.
