

EATON HOUSE THE MANOR
PREPARATORY SCHOOL

PREPARED FOR LIFE

Eaton House The Manor combines rigorous academics with a warm and happy atmosphere where all boys flourish. Our greatest asset is our experienced staff who nurture and bring out the best in young boys, ensuring they leave us with firm foundations, a love of learning and with friends for life. We balance competitive sport with drama, art with music, academics with pastoral care and single sex education with opportunities to share some activities with the EHTM Girls' School. Our belief that all children need the right opportunities, facilities and encouragement to achieve their true potential guides our approach, and we are a school where each boy is known, where each boy is championed and has his moment to shine.

Please do come and see us, so that you can meet the staff and boys and experience what a special place Eaton House The Manor is for yourself.

A PLACE TO FLOURISH

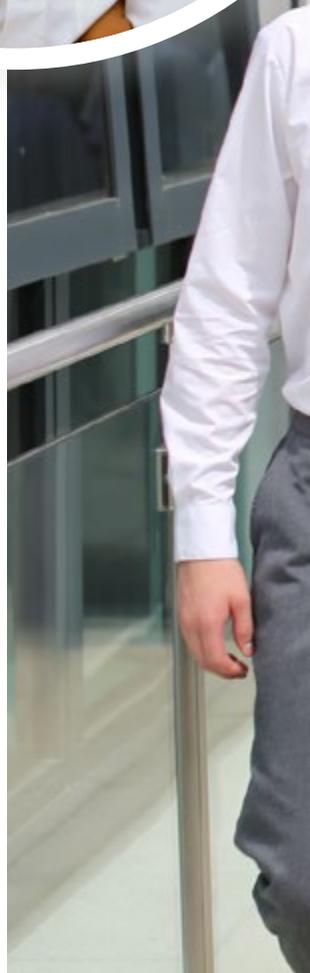

TRADITIONAL VALUES, FORWARD THINKING

Higher academic standards are achieved in single sex schools. At The Manor, boys brim with academic confidence

“The thing that I will miss the most is the atmosphere, how everyone is usually so happy and so encouraging.” *(Zach, Year 8)*

“The pupils have an excellent moral understanding. They demonstrate an outstanding natural courtesy and consideration towards everyone.” *(ISI Report)*

HAPPY MINDS, HAPPY CHILDREN

Knowing the boys, sharing their highs and lows, being there for them in every way. Pastoral care is intrinsic in all we do, the fundamental cornerstone of Eaton House The Manor

Our Form Tutors and well-established House System provide the overarching structure for our pastoral care, but it is the attention to detail from the staff that ensures that our care is outstanding

“I always describe Eaton House as ‘getting’ boys. They understand what makes them tick.” (*Parental Survey, 2017*)

THE FUTURE
BEGINS HERE

A CURRICULUM FOR LIFE

Our boys are prepared for the finest day and boarding schools. We are aspirational for every child and the progress they make in their five years at EHTM Prep school is remarkable

With a staff to pupil ratio of 1:6 our boys get all the specialist input they need, whether they are aiming for scholarships, Common Entrance or entry to London day schools at 13

“This is a school with excellent academic outcomes, very good value added, ambitious parents and consequently a school of really high expectations.”
(Good Schools Guide, 2017)

LIFE IS ABOUT
TIMING

PLAY WITH PASSION

Alongside many other sports, football, rugby and cricket are at the heart of our sporting programme and competitive matches against other schools and clubs are a highlight of each week

Sport is an integral part of life at school for all boys, whether they are representing the school or their house or simply learning to be part of a team

“I have really enjoyed the sports at this school, as I like the teachers and have had a lot of fun. I feel I have developed as a sportsman.”
(Evan, Year 8)

SHINE FROM
WITHIN

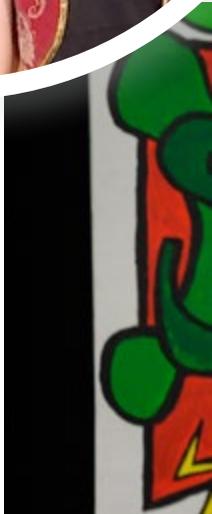

LET THE IDEAS FLOW

Our state-of-the-art theatre provides the perfect backdrop for the boys to showcase their dramatic talents. Recent productions include Macbeth, Wind in the Willows, Aladdin and Robin Hood

Every boy within the school has weekly drama lessons and The Shakespeare Project, Musical Theatre Club and individual drama lessons complement the main school productions

An orchestra, two bands and three choirs mean that opportunities for music are plentiful. Nearly three-quarters of our boys play a musical instrument

AN ADVENTURE AWAITS

Over thirty clubs and activities are on offer each week, enhancing our rich and broad curriculum

“To pick out one specifically enjoyable moment would be impossible thanks to the range of activities and facilities that the school has to offer!”
(Alexander, Year 8)

There are residential trips for every year group and boys are taken to France, Devon, Wales and the Lake District. Day trips to museums and galleries within London enhance learning in all subjects

HEALTHY BODY, HEALTHY MIND

Lunchtime is an important meal when teachers and pupils catch up, sharing news and discussing the fun events of the day

Meal times are a moment for the boys to eat good healthy food and to relax and recharge

We produce a variety of tasty, healthy lunch choices with extra salad, fruit and bread options

WE ARE
HAPPY
