Policy Statement

Regular attendance is expected at Eaton House the Manor. It is important too, that children arrive and leave school on time. It is equally important that children should not be at school if they are unwell.

It is felt that children learn best when they are happy, relaxed and focused. All staff show concern and care about each child's welfare.

As attendance is crucial to effective learning and the continuity of learning experiences the school informs the parents of this on joining. It must be noted, however, that the majority of children at Eaton House the Manor have an exemplary attendance record.

Communication

Parents are informed of the importance of being at school on time and notifying the school if their child is absent or late for any reason.

Parents are informed that if they are late to school, they must report to their child's class teacher on arrival. All information regarding absence is passed on to the class teacher and duly recorded in the register. If no notification is received about a child's absence the teacher or PA will contact the parent/guardian.

Concerns

If a child is regularly late for school or is often absent, then the class teacher contacts the parent concerned to have an informal discussion about this. If this persists then the teacher registers their concern with the Senior Management Team.

Truancy

All the staff at Eaton House the Manor are concerned about children's regular attendance, and the importance of continuity in each child's learning. They are also concerned about each child's safety, welfare and happiness. Although it is unlikely that a child may truant, if there is a concern, appropriate action should be taken immediately.

If truancy is suspected, the Head Teacher is notified, who then contacts the parent/s. Parents are encouraged to bring their child to school. Reasons for the child not wanting to attend can be discussed and hopefully resolved.

Registers

Each class is registered on the register section of the Engage School Management System. It is the responsibility of the class teacher to complete the register by 09.10am each morning. An afternoon register is taken at 12.30pm for any child who is staying for the afternoon activities.
