

EATON HOUSE THE MANOR
PRE-PREPARATORY SCHOOL

PREPARED FOR LIFE

Developing a life-long love of learning for your boys is our ultimate goal. We firmly believe it is no coincidence that children learn best when they feel happy and secure.

We recognise each boy as an individual, understanding what makes them tick and nurturing their talents, ensuring that they feel known and valued.

They are encouraged to have fun, be imaginative, be creative, and develop their passions within a broad curriculum and through our extensive after school clubs provision.

Our exceptional teachers provide a supportive academic environment, challenging every boy and enabling them to reach their full potential. They are encouraged to think independently, be confident and develop a sense of responsibility. We recognise the importance of preparing them to be exemplary citizens in a rapidly changing world.

We look forward to welcoming you to Eaton House so you can see this for yourself

Mr David Wingfield.
