Policy Statement

Eaton House Schools is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All applicants must be willing to undergo child protection screening appropriate to the post, including checks with past employers and the Disclosure and Barring Service. All applicants agree to comply with and implement the schools Safeguarding and Child Protection Policy.

Eaton House Schools aims to recruit staff that share and understand the schools' commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010. Eaton House Schools will recruit the most suitable person for each vacancy, regardless of marital status, sex, colour, race, nationality, national or ethnic origins, religion or beliefs, age or perceived age, sexual orientation, gender re-assignment or disability.

Eaton House Schools Recruitment and Selection Procedure offer a systematic, effective and fair process. Selection is based on published, objective and job-related criteria and assesses all candidates on their skills, qualifications, experience and ability to do the job. The selection process will be carried out appropriately with written evidence relating to the recruitment and selections process held on file. All staff involved in the recruiting process will have up to date Safer Recruitment in Education certification.

A decision to shortlist, interview or offer employment will take no account of an Applicant's trade union membership or non-membership.

In accordance with the school's equal opportunities policy, reasonable adjustments will be made to accommodate the particular needs of any person who has notified the school that he or she has a disability within the meaning of the Equality Act 2010 at all stages of the recruitment process.

Unless otherwise justified, a decision to shortlist, interview, employ or engage the services of any person will be taken without regard to the applicant's gender, marital status, race, colour, nationality, national or ethnic origins, religion or belief, sexual orientation, age or (unless justified) disability or because his or her name appears on a prohibited list (i.e. a list of known trade union activists).

The school's policy which includes EYFS does not allow any person whose suitability has not been checked, including an Enhanced DBS Check, to have unsupervised contact with children being cared for. Where a new member of staff starts work before the disclosure is available, the school will complete a risk assessment and ensure that the person is supervised at all times and that all other checks (including barred list) have been completed satisfactorily and both references have been received.

EATON HOUSE SCHOOLS POLICY DOCUMENT

At every stage of the recruiting process the school ensures that they comply fully with the organisation's equal opportunities policy and Safer Recruitment guidance. Any applicant (internal or external) who feels that they have not been treated fairly in the recruitment and selection process should follow the schools' complaint procedures policy.

Eaton House Schools may carry out online searches to further assess the suitability of shortlisted candidates. This is detailed in KCSIE 2023 and may help Eaton House Schools identify any incidents or issues that have happened, and are publicly available online, which the schools' might want to explore with the applicant at interview.

The school keeps a Single Central Register of Appointments (SCR). This is password protected and only accessible to the Principal, Bursar, Head Teachers, Human Resources and Compliance Manager. The Single Central Register contains an entry for all current members of staff at the school, the proprietors and all individuals who work in regular contact with children, including supply staff, peripatetic staff, LSAs, volunteers and those employed as third parties. The Single Central Register of Appointment (SCR) records all the recruitment checks, initialled and dated by the person completing the check, and includes Identity, Enhanced disclosure and Barred list/List 99 (with the date of the DBS check unless a separate earlier barred list check was undertaken), Prohibition from teaching check, Qualifications, overseas checks where applicable, Right to work in the UK. All checks will be made in advance of appointment or as soon as practicable after appointment.

The school is owned by Dukes Education.

Scope of the Policy

The Selection and Recruitment Policy applies to staff directly recruited and employed by the school.

In the Education (Independent Schools Standards) (England) Regulations 2014, staff are defined as:

Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, but does not include supply staff or a volunteer.

Supply and Contract Staff

In the case of agency/supply or contract staff, the school shall obtain written confirmation from the agency or company that it has carried out the appropriate checks. These checks include, an enhanced disclosure of less than three months old, a right to work in the UK, barred list/List 99, disqualification from providing childcare, qualifications and overseas checks where applicable. No agency staff will be employed unless the agency has also taken up references, obtained medical history and checked previous employment history

The school conducts identity checks on agency/supply and contract staff on arrival in School. The school must also be provided with a copy of the DBS check for such staff.

In respect of contractors who have not undertaken these checks or, those who are unable to prove that checks have been done, they will not be left unsupervised. The school will determine a suitable level of supervision depending on the circumstances and the findings of a risk assessment.

Any staff who transfer under TUPE into the School's staff register will be required to undertake the statutory requirements with regard to safer recruitment checks.

If staff are transferred under TUPE (gap of three months or less and information is complete) information will be passed to the new employer and a note made on the Single Central Register that details have been accepted under TUPE.

Application Pack

Eaton House Schools will only accept applications from candidates completing the school's relevant application forms in full. CV's will not be accepted as a substitution for completed school application forms.

All candidates are made aware that all posts in the School involve responsibility for safeguarding children and all applicants must agree to comply with and implement the school's Safeguarding and Child Protection Policy. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

Checks will be made of previous employment history to ascertain satisfactory reasons for any gaps in employment. These checks will then be checked against references and any discrepancies discussed with the candidate.

As the position for which candidates are applying involves substantial opportunity for access to children, it is important that applicants provide the school with legally accurate answers. Upfront disclosure of a criminal record may not debar a candidate from appointment as the school shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors.

Any unspent convictions, cautions, reprimands or warnings must be disclosed to the School. However, amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to consent to Eaton House Schools obtaining a full check the Disclosure and Barring Service (DBS) for the position. In addition, successful applicants should be aware that they are required to notify the school immediately if there are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration as someone who has unspent cautions or convictions for a relevant offence (please see a list of the relevant offences set out here:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the Head and HR department immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive.

EATON HOUSE SCHOOLS
POLICY DOCUMENT

Staff and/or successful candidates who are disqualified from childcare or registration, may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the Head and HR Department for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify a candidate for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

If the candidate is currently working with children, on either a paid or voluntary basis, the school will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the school will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the school will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the school may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the school if they have been appointed, and a possible referral to the police and/or DBS.

Invitation to Interview

Eaton House Schools will short list applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short listed applicants will be invited to attend a formal interview at which their relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least two people chaired by the Head or Senior Management. At least one member of staff present in the interview will have up to date Safer Recruitment Certification. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgment will be made by senior management as to whether or not an interviewer should withdraw from the panel.

The interview will be conducted in person or, in rare circumstances online, and the areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc.). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

In the event a candidate is identified early in the search process the school reserves the right to make an appointment before the application deadline.

All applicants who have not been successful either at initial application stage or post interviews, are informed by e-mail or telephone. Any original documentation which may

be held will be returned to the candidate and copies and/or duplicates will be securely destroyed.

It is the school's practice that a successful candidate must complete a pre-employment medical questionnaire. The information contained in the questionnaire will then be held by the school in strictest confidence and processed in accordance with the General Data Protection Privacy Notice and Data Policy. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the school.

The school is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

Once the appointment and starting date are confirmed the Head Teacher is informed in order for the induction programme to be arranged. The induction programme will be tailored to the particular needs of the individual and will be planned prior to the appointee starting work. All new staff are required to take part in the school's in person induction training which includes safeguarding, health and safety and school procedures. In addition to the induction training, the relevant school policies must be read, safeguarding and health and safety e-learning completed.

All appointments will be made subject to a satisfactory probation period. The new employee's progress is monitored closely by a designated member of the senior management team during this period. Interviews are held at regular intervals during the probationary period. A recommendation is discussed and agreed at the end of the probation as to whether employment should be confirmed, the probationary period extended or terminated.

For contracts of one year or more, the probationary period is twelve months for teaching staff. Employment may be terminated by the school giving the staff member one months' notice at any time during or at the end of the probationary period. The staff member must provide one terms notice if they wish to terminate their employment with Eaton House Schools. Newly Qualified Teachers are subject to a probationary period of 12 months. Support staff which includes admin, maintenance and housekeeping will have a probationary period and notice period specific to their role and this is included in the staff contract.
