We offer warm congratulations to all of our 2022 leavers

‘We are very proud of the boys’ contribution to our long history of academic excellence.’

As another academic year draws to a close, I am delighted to share our 2022 results. This year’s leavers notably depart as we begin to celebrate Eaton House Schools’ 125th anniversary and we are very proud of the boys’ contribution to our long history of academic excellence. This year, I give a special commendation to the boys and their teachers, who have upheld Eaton House The Manor’s track record of excellent results, despite facing the unprecedented challenges COVID-19 has posed to education. Not only have the boys secured places at a range of fine senior schools, but between them they have been awarded a Starred Pass to Eton College, academic scholarships to King’s College School and Hampton School, music and choral scholarships to Dulwich College and Charterhouse School, an art scholarship to

Lancing College and a sports scholarship to Dulwich College. This is a testament to the range of talents that they have grown into at Eaton House The Manor Prep!

Our boys are heading off to 25 different schools this year, both day and boarding, and I hope they will continue to thrive and flourish at their new schools. Indeed, one of the joys of my regular contact with senior schools, is hearing how our leavers are doing. It is heartening to know that so many of our 2018 leavers heading into the Upper Sixth have recently been appointed as heads of house and prefects at schools such as Radley College and Tonbridge School.

I look forward to September 2022, and to meeting our new cohort of eight-year-old boys who are ready to begin their Eaton House The Manor Prep School adventure.

Mrs Sarah Segrave
Headmistress and
Group Principal
