Results 2022

We offer warm congratulations to all of our 2022 leavers

‘What a pleasure it is to see every girl flourish, achieve her full potential and find her passion.’

The past few years have seen several impressive cohorts of leavers here at Eaton House The Manor

Girls' School. The hard work and resilience of the girls, even through the challenges presented to them by COVID-19, has been rewarded by an excellent set of 11+ results. The last academic year was no different.

Possibly the most striking statistic of all is that, from a cohort of 30, the girls received a total of 30 scholarships and awards. This is by far the highest number of scholarships we have ever received in a single year, and it reflects not only the girls' academic excellence, but also their hugely impressive talents

in Art, Drama, Music and Sport. I know I speak on behalf of the entire staff team when I say what a pleasure it is to see every girl flourish, achieve her full potential and find her passion.

Great results are a natural part of Eaton House Schools' caring learning ethos; wellbeing is at the heart of all we do. We want each girl to feel that she is known, nurtured and challenged, and that she has a genuine love of learning and a deep-rooted respect for people and places by the time that she leaves school. We are truly committed to the success and happiness of the girls and look forward to maintaining our outstanding track record over the years to come.

Mrs Claire Fildes
Headmistress

FROM THE GOOD SCHOOLS GUIDE (2022)

EXIT SCHOOLS

"Girls head to a broad and notable mix of day and boarding senior schools, primarily JAGS, Wycombe Abbey, St Paul's Girls' and Woldingham. Also Streatham & Clapham High School, Cheltenham Ladies' College, Francis Holland, St Catherine's, Twickenham, Roedean, Emanuel, Sherborne Girls and More House. Thirty scholarships and prizes in 2022."

ACADEMICS OVERVIEW

"This is very much a girls' school – 'There is a lovely feel of girl power about the place!' said a mother - but given the school's buildings and structure, with the boys' prep next door, it seems instead to have the atmosphere of one big family with brothers and sisters and family friends educated alongside each other, sometimes in adjacent classrooms."

"The school seems to be perceived as very much 'traditional', but we'd add, without being remotely stuffy... the school is as modern and fresh as the new buildings in terms of the contemporary educational thinking they engage with."

"The head describes [the staff] as 'passionate and dynamic', 'incredibly impressed with their work ethic, the best I've seen at any school' and 'open-minded to new initiatives'."

"Parents believe the main emphasis of this traditional school is on the academics and arrive looking for a top London exit. The stellar results mean most feel they get their money's worth."
