We offer warm congratulations to all of our 2023 leavers

'We consider each day at Eaton House The Manor Girls' to be an academic adventure'

As my first year as Headmistress of Eaton House The Manor Girls' School nears its end, I am delighted to continue our schools history of excellent 11+ results. I know that the girls experienced feelings of anticipation as they waited for their secondary school offers to roll in and they have certainly reaped the rewards for all their efforts. I hope that they are pleased with the outcome of their hard work. I am incredibly proud of them.

At Eaton House, we make the most of our highly talented and passionate teachers and the wonderful facilities, to provide the girls with a multi-faceted, balanced education. This has once again been proven successful by the broad range of the scholarships won

in 2023, including academics, sport, drama, and art.

On top of the individual strengths of each of the girls, I have witnessed a strong sense of community amongst them and have been impressed by the way they uplift and encourage each other inside and outside of the classroom. I am very proud to lead a school that empowers girls, and I believe our excellent results are a true reflection of this spirit.

We consider each day at Eaton House The Manor Girls' to be an academic adventure, creating a supportive and stimulating environment that fosters a genuine love of learning in each of our pupils. I know that this year's cohort of leavers will carry this with them into their senior schools, and I wish them the very best as they continue each of their adventures.

Mrs Claire Fildes
Headmistress

FROM THE GOOD SCHOOLS GUIDE (2022)

EXIT SCHOOLS

"Girls head to a broad and notable mix of day and boarding senior schools, primarily JAGS, Wycombe Abbey, St Paul's Girls' and Woldingham. Also Streatham & Clapham High School, Cheltenham Ladies' College, Francis Holland, St Catherine's, Twickenham, Roedean, Emanuel, Sherborne Girls and More House."

ACADEMICS OVERVIEW

"This is very much a girls' school – 'There is a lovely feel of girl power about the place!' said a mother - but given the school's buildings and structure, with the boys' prep next door, it seems instead to have the atmosphere of one big family with brothers and sisters and family friends educated alongside each other, sometimes in adjacent classrooms."

"The school seems to be perceived as very much 'traditional', but we'd add, without being remotely stuffy... the school is as modern and fresh as the new buildings in terms of the contemporary educational thinking they engage with."

"The head describes [the staff] as 'passionate and dynamic', 'incredibly impressed with their work ethic, the best I've seen at any school' and 'open-minded to new initiatives'."

"Parents believe the main emphasis of this traditional school is on the academics and arrive looking for a top London exit. The stellar results mean most feel they get their money's worth."
