WRAPAROUND CARE

4.00pm - 6.30pm Daily During Term Time

‘We will run a fully managed programme with a ‘home from home feeling’, overseen by staff’

Eaton House The Manor is pleased to introduce a new wraparound care offering from the start of the Summer Term, 17th April 2024. Places will be available to book from Friday 8th March 2024.

This provision is designed to support busy working parents requiring flexibility outside of school hours. The sessions are available for boys and girls from Kindergarten through to Year 8, and will run daily from 4.00pm-6.30pm. Parents may book either the full 4.00-6.30pm session, the shorter 4.00-5.00pm session or the 5.00-6.30pm session for children to attend after their extra-curricular clubs. Bookings should be made in advance via the Parent Portal, with parents able to select dates as needed.

Children may continue to make full use of our Early Morning Rooms from 8.00-8.30am, and our after-school club programme until 5.00pm, but they will now also have the option of joining our wraparound care to

extend provision from 8.00am to 6.30pm.

Our fully managed programme will have a ‘home from home feeling’, with ‘Vespertines’ overseen by staff. They will ensure that children are well cared for and engaged in fun and interesting activities whilst on site, including board games and arts and crafts activities. Younger pupils attending from 4.00pm will have the opportunity to complete their homework, whilst older children are expected to continue to sign up for Homework Class, and may then join from 5.00pm.

Initially, Vesper Club will be based in the Prep Library, providing a welcoming and cosy space for the children.

A light tea of sandwiches, crudites, biscuits, and yoghurts will be offered with all dietary requirements catered for.
