We offer warm congratulations to all of our 2025 leavers

‘To have two boys from a non-selective Prep school win the two top academic scholarships is beyond impressive’

Eaton House The Manor has triumphed this year with the Prep boys winning 11 scholarships including the highest accolade at Westminster School – the King’s Scholarship and a similarly prestigious award at St Paul’s Boys’ School – the John Colet Academic Scholarship.

Other impressive Scholarships and Awards include an Academic Scholarship to Dulwich College, an Academic Scholarship to Trinity School, an Academic Scholarship to Whitgift, a Choral Scholarship to Brighton College, a Performing Arts Scholarship to Oundle, a Music Exhibition to Eton, a Drama Scholarship to Radley, a Drama Scholarship to Rugby and a Drama Scholarship to Fidelis College.

‘My thanks go to all the staff who have prepared the boys so well and supported them throughout their time at Eaton House The Manor. For those of you unfamiliar with scholarships, I can’t help but draw your attention to Ayaan and Rehaan’s scholarships to Westminster and St Paul’s in particular. To have two boys from a non-selective Prep school win the two top academic scholarships in the UK is beyond impressive – and I have been smiling pretty constantly since these were announced earlier in the term! Bravo gentlemen!’

Leavers' Thoughts 2025

*It has been an amazing time here and this is a brilliant school with very good teachers, and they have helped me throughout my academic journey. **Hector B., 8N***

*Nine years at this school have been marvellous, filling my life with joy because of what this school offered me. **Lorenzo B., 8N***

*Eaton House has felt like my home for the last nine years now. However, all good times come to an end and my time has come. I will remember the amazing experiences I have had here and I hope I can continue seeing my friends that I have met along the way. **Henry S., 8N***

*I have had a real blast here and I am incredibly grateful for all the help I've received through all of the highs and lows. Goodbye EHTM! **Ayaan B., 8S***

*I am very grateful for my amazing nine years at this school and have loved every second of it. Thank you EHTM for all the wonderful memories. **Rupert I., 8S***

*While I joined a bit later than others, I instantly felt this was a school of personality, where every teacher just seems to know you and accept you for you are. I'm now ready for a change, and the school has made these next steps into an easy path for me. **Archie W., 8W***

*Some people say that you live just to die. I don't agree with this at all, because do you hike just to hike, or do you hike to take in the beauty around you? The same thing is with school – you don't just come to school to learn, you come to make friends and also become a better you. **Austin K., 8W***

Others to Abingdon, Bishop's Stortford College, City, Eton, King's College School, Wimbledon, Marlborough, St. Edward's, Tonbridge, Trinity, Wellington, Wetherby, Winchester and Worth. ACADEMICS OVERVIEW

'A warm, welcoming, inclusive school with a traditional style that focuses its energies on its pupils' academic progress, personal development and wellbeing rather than on being super slick. It's an approach that enables them to access leading boarding and day schools in the country.'
